

UK Declaration of Conformity

The manufacturer Bühler Technologies GmbH declares, under its sole responsibility, that the product complies with the requirements of the following UK legislation:

Electrical Equipment Safety Regulations 2016

Product: **Washing Station**
Type: **WS-CP**

The equipment is intended for further conditioning of sample gases. They are used especially for removing aerosols and ammonium salts.

The product of the declaration described above complies with the relevant harmonised standards:

EN 60204-1:2018

The manufacturer bears sole responsibility for this Declaration of Conformity.

Ratingen, Germany, 11.06.2026
